LITHIUM 4x4

ELECTRA

- 4x4 Dual Motor
- 72V Lithium LiFeP04
- Utility or Crew
- Color Options
- Stunning Appearance

The Electra™ features a performance driven 210 Ah (15.3 kWh) lithium LiFeP04 battery system with automatic smart on-board recharging system (120v). This new lithium LiFeP04 battery system improves range, reduces maintenance and has a battery life expectancy over 5X longer than FLA.

TERLINGUA

The HuntVe Terlingua™ sports a powerful 72V electric system along with the smooth ride of a 4-wheel independent suspension. Top notch in performance and agility to any other electric UTV around, this well equipped HuntVe™ is ready for the outdoors. It's simply one of the finest off-road vehicles and distinguishes itself from all others.

Both models are now 7.65 kWh Lithium Powered
